**Rationale for Overall Recommendation:**

All “does not meet” areas were moved to “meets” by the committee. The committee had the following suggestions for the program as it moves forward:

**Demographics & Pattern of Service:** The committee acknowledges the progress that the program has made and encourages the program to continue this progress so that it does not slip out of compliance.

**SAOs:** The committee encourages the program to develop specific SAOs that will provide more relevant data to continue program improvement and development.
