

Spring 2019
Program Review Efficacy Report Spring 2019
Conditional Reporting (from Spring 2018 efficacy review)

Name of Department: Outreach

Overall Recommendation: Probation

Continuation Conditional Probation

Rationale for Overall Recommendation:

Although the program has completed an EMP and are moving forward, the committee reaffirmed the rating of “probation” based on the following:

The program is not adequately addressing the “does not meet” areas (Demographics & Pattern of Service, Data/Analysis and SAOs, Professional Development, Productivity, Relevance, & Challenges).

The committee recommends that the program work with members of the Program Review Committee to develop the next remediation report.
