Replacement ☐ Additional ☒

Are there alternative funding sources? (for example, Department, Budget, Perkins, Grants, etc.)

Yes ☐ NO ☒

If yes, what are they? _____

1. Provide a rationale for your request. (Explain, in detail, the need for this equipment.)

These table tennis tables are necessary for us to offer the new table tennis class that was approved by the curriculum committee.

2. Indicate how the content of the department/program's latest Efficacy Report and/or current EMP supports this request and how the request is tied to program planning. (*Directly reference the relevant information from your latest Efficacy Report and/or current EMP in your discussion.*)

The Kinesiology department offers a variety of courses which provides students opportunity to improve their current health/fitness levels while acquiring the skills to promote a lifelong, wellness lifestyle. The Healthy People 2020 (HP 2020) campaign has been one of the driving forces behind getting the nation more active. In regards to physical activity (PA), the goal of HP 2020 is to "Improve the health, fitness, and quality of life through daily PA." In addition, one of the objectives in regards to PA is to "Reduce the proportion of adults who engage in no leisure-time PA." Utilizing HP 2020 as a guide, our department can continue to develop courses to provide opportunities for our students and community members to reach this goal and objective.

3. Indicate any additional information you want the committee to consider (*for example, regulatory information, compliance, updated efficiency, student success data, planning, etc.*).

Without this equipment, our new table tennis course cannot be offered and, thus, we are taking away an option that students would have for fulfilling one of the movement requirements (individual sports) for the AA-T degree.

4. Indicate any related costs (including any ongoing maintenance or updates) and department/program's plans to support those costs.

There will be no additional costs.

5. What are the consequences of not funding this equipment?

Without this equipment, we are taking away an option that students would have for fulfilling one of the movement requirements (individual sports) for the AA-T degree.
