Capital Improvement ☐

Brief Statement of Request:

The Art Department is requesting lighting and landscaping in front of the Gresham Art Gallery.

Are there alternative funding sources? (for example, Department, Budget, Perkins, Grants, etc.)

Yes ☐ NO ☒

If yes, what are they? _____

1. Provide a rationale for your request. (Explain, in detail, the need for this project.)

A sculpture of a crane was donated and installed in front of the Gresham Art Gallery approximately five years ago. There is no additional landscaping or ground cover in the area near the sculpture, and it looks unfinished and unwelcoming. We have community members attending the receptions and shows at the Gresham Art Gallery. The patch of dirt in front of the gallery degrades the professional appearance of the building. The Art Department is requesting lighting and ground cover for the area.

2. Indicate how the content of the department/program's latest Efficacy Report and/or current EMP supports this request and how the request is tied to program planning. (*Directly reference the relevant information from your latest Efficacy Report and/or current EMP in your discussion.*)

The request is tied to Art Department's goal in the 2018-2019 EMP report to improve the area outside of the Gresham Art Gallery.

3. Indicate any additional information you want the committee to consider (*for example, regulatory information, compliance, updated efficiency, student success data, planning, etc.*).

4. What are the consequences of not funding this facilities request?

The area around the bird sculpture in front of the Gresham Art Gallery looks unfinished and barren and does not provide a welcoming and professional environment for students and Gresham Art Gallery visitors.
