Brief Statement of Request:

Score Boards

Are there alternative funding sources? (for example, Department, Budget, Perkins, Grants, etc.)

Yes ☐ NO ☒X

If yes, what are they? \_\_\_\_\_

1. Provide a rationale for your request. (Explain, in detail, the need for this project.)

CCCAA and NCAA will require score boards in order to host competition. We will need score boards for our soccer field, baseball field and softball field.

2. Indicate how the content of the department/program's latest Efficacy Report and/or current EMP supports this request and how the request is tied to program planning. (*Directly reference the relevant information from your latest Efficacy Report and/or current EMP in your discussion.*)

EMP data shows overall success of the Athletic Department. Data is not broken down into individual programs. Having a poor, unsafe facility can have a negative impact on recruitment, retention and success.

3. Indicate any additional information you want the committee to consider (*for example, regulatory information, compliance, updated efficiency, student success data, planning, etc.*).

Our coaches work extremely hard to promote a positive environment to the community and the state. It would be great if the college would do the same regarding our fields!

4. What are the consequences of not funding this facilities request?

Negative image for the college. Poor recruitment. Lower FTES. Lower retention and success.
