MEET JOHN DOE

WEDNESDAY, FEBRUARY 18 * 10 A.M. (LENGTH 123 MINUTES)

Sacked by her newspaper, spunky scribe Ann Mitchell ([Barbara Stanwyck](#)) hatches a hoax to keep her job. In her final column, she pens a missive from "John Doe," a fictitious homeless man planning to leap to his death from city hall. When the letter triggers a public flap, the paper -- looking to boost readership -- cons a suitable stooge ([Gary Cooper](#)) into posing as Doe. Little does he know the paper's owner plans to use him as a ticket to the presidency.
