SSCCC Fall – 2010 General Assembly:

SBVC – ASG student leaders attended SSCCC Fall General Assembly on October 29th-31st, 2010 in San Diego. The theme of this year’s General Assembly was “Retaining Access, Ensuring Success,” which, in this current economic crisis, is more important than ever for us to focus on not just as individuals, but as a system. During attendance students attended meetings, workshops, activates and passed resolutions addressing Student concerns.

ASG/ICC Leadership Retreat:

On November 5-7, 2010, SBVC club members and Student Government members and Club members headed for Camp Fox located in the Palomar Mountains. During this event over 22 Students participate in workshops on diversity, interpersonal communication, time management, goal setting, dressing for success and leadership. The retreat allowed students to network, build relationships and enhance their leadership abilities. I happy to report this built many bridges for student leaders and helped with recruit students for ASG. His gave students the opportunities to understand the shared governance process; to participate and understand the social and cultural activities on Campus; and to reflect an understanding of diversity by understanding and instill self-reliance, ethical leadership and responsible action.
