2. Discussion Items:

(Each person will be allowed to speak on each item a maximum of two times. There is a two minute time limit for each time. This ensures timeliness to all participating. In the interest of time, please try not to repeat what has already been said.).

2.1 Discussion of proposed I.C.C. attendance policy.

Advisor Sara Glasgow handed out the Supreme Court decision dated March 17, 2006 which states that ICC is held to the three absences policy as stated in Article IV, Section B of the AS-SBVC Constitution. She also handed out the ICC Attendance Roster for 2006-2007.

Business Club asked for a modification to the Supreme Court ruling regarding three absences because their club is struggling and cannot attend the meetings. Also, suggested meetings be conducted via online discussion.

Geology Club asked if voting could be conducted by proxy.

Psych Tech Club students have a required 31 hours of contact a week and clinicals on Wednesdays, Thursdays, and Fridays, so no matter when the meetings occurred, no student could attend, and asking a student to attend would effectively be asking that student to fail out.

Pre-Law suggested defining non-voting member that would not affect quorum, but would also have fewer, second tier privileges, such as room reservations after all other members have had a chance.

New Visions Club asked for a middle ground, while recognizing that ICC has to be able to conduct business and those members not showing makes that impossible.

Human Services Club asked if absences could be excused for cause and if an exemption could be made for educational program purposes.

Art Club agreed with the educational exception for classroom required, mandatory hours during the ICC meeting time.
